roofline going to do that fuck that girl that girl who said oh fuck on a girl who did your current route you're going to stand in the middle of the concert with me to get rid of the Goodwell get it right now right turned on the vertigo going to try to go to Ann Arbor Olive Garden tomorrow to go to go to Brevard you're going to go to their going to try to back world tour but all of garden bar called are you going to take a good highway about a requisite you could just keep the change around with it. We really couldn't grill have that what you what you really don't think that's going to be about that you really don't think you're just gonna keep taking her to pick it up and do this for real I got to get up I said I said

Start something that's not really that you talk about service we talk about being out of the place where your brewing please put a period in there you know this is an a run on fucking son it's your funeral please fucking fucking fuck. Would you please go out there and put a curtain I can you hear me what you know we're talking about can you hear me oh good I can you hear OK kids OK kid services OK kids are going to be OK cause you had a nice gentle kids you don't have any dental kids moments moments work we're not all you are you get your kicks off at your fax my fax me a double double fuck fuck fuck fuck the door so I want to just fuck off of my fucking kids start to a man like you're talking about you're not going out shopping because I was driving and I didn't even want to like go there it's Man I told you I don't want you to talk about that I really don't want you to take your damn man you were going shopping in do you know when you're shopping instead of you doing actual good for your first compartment should really get a good it's good for your prayers to take the Christian part for two you should really take an apartment for you Christiansen a Christian person or talk about

sandwiches made sandwiches it's really department of the city of Christianson Christianson Christianson bill Christiansen and we're having sandwiches good sandwiches in emoticons maybe it's just not going to be a quicker... We're not really have a dielectric that would like to have your rid of really I don't know is this really not beautiful that my truck tires hi hi hi hello hello there's anything you can do to our notes picks up on voice all the time isn't he just wants to pick up on every single voice saying that you get it every little voice thing that you care you got well if you go to 11 after while and no redo that it's up right now no redo without some kind of world were not all you got taking the girls Truxion fuck I won't hello hello it's not working I'm not working not working it's not working well properly clearly well properly clearly well properly clearly well well done properly clearly while it's well done with the proper clearly well done proper clearly you can take it's a room from Thermo sign her in Greeley now he is alive and she didn't want to get into and drinker he didn't get to mean so I think you should numb and one this might be a good time he hated the end if you can't arrange that air knew to be true it's too full of memories to hear is in mother's closet every day anyone else to do you open the door there's room she told she told him what you have to find a babysitter you have to find the babies but she mother wanted to reorganize hired yet to find a babies babies hired with an alcoholic if you wanted to have the babies there is a new search there doing nothing and he doesn't need the phone even The babies he wanted to have a real good nose hate babies you know what heat wanted to re-organize the rock road every time you try a little one crutch for a way you could ever won a wait list of smells front paws Uniberry's mother wanted to re-organize her I had a very busy she wanted to re-organize for her babies she wanted to be organized her heart she wanted to think about what a great organizer I'm babysitting a baby some stuff in your room I wanted to grab some I want to consider having more babies not because everybody knows that when you don't have enough babies you're just gonna have you got another very good bet to consider the babies that are coming out Shit shit shit shit shit shit fuck shit shit what what what what what what is it who's there are you there are quite what it's OK good about that right now no you're not you call while call I have not sold yet of DeRosa sure about that but keep it on the DL guys I'm going to try some other stuff got sure what all of that up OK what of the stuff got it up and that really not right stuff gonna get up that of fall you don't work with her at the door early for the consequences of such a person's gonna be hundreds of the trip I got bills but if you want to try to get on some other sort of vibe to situation I'm not really too sure what the what with that for tuition is going very good are locked I'll just keep doing this kind of thing until one you don't work tomorrow should be updated because after getting your stuff back for hatch just keep it off the credit cards just this it's not God
